ABOUT ME

A highly motivated MERN Stack Developer with hands-on experience in MongoDB, Express.js, React.js, and Node.js. Passionate about building clean, responsive, and scalable web applications using modern UI/UX principles. Seeking opportunities to contribute to real-world projects and grow as a professional Full Stack Developer.

EXPERIENCE

MERN Stack Developer

Self Projects

- Built multiple full-stack web applications using MERN stack
- Developed responsive UI using React.js
- Created REST APIs using Node.js & Express.js
- Implemented CRUD operations with MongoDB
- Used Git & GitHub for version control
